**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**General**

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by ERG Intermediate Holdings, LLC. ("ERG") and its affiliated debtors in these jointly administered chapter 11 cases (collectively, the "Debtors") pending in the United States Bankruptcy Court for the District of Northern Texas (the "Bankruptcy Court") were prepared, pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure, by management of the Debtors, with the assistance of the Debtors' court-appointed advisors, and are unaudited. While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available to it at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules and Statements have been signed by R. Kelly Plato, Chief Financial Officer of ERG. Accordingly, in reviewing and signing the Schedules and Statements, Mr. Plato necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Plato has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses. The Debtors' production, finance, and accounting systems were primarily designed and used to manage and track oil and gas production with a secondary focus on the creation of consolidated and consolidating financial statements. As such, certain assets, liabilities, or cash payments may have been reported on one legal entity in these Schedules and Statements; however, the beneficiary of the transaction may have been another Debtor.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

**Description of the Cases**

On April 30, 2015 (the "Petition Date"), the Debtors filed voluntary petitions for relief under the Bankruptcy Code in the Bankruptcy Court. The chapter 11 cases have been consolidated for the purpose of joint administration under Case No. 15-31858. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Each Debtor's fiscal year ends on December 31. All asset information, except where otherwise noted, is as of March 31, 2015. The liability information, except where otherwise noted, is as of the close of business on April 30, 2015. All bank balances are as of the filing date. All YTD 2015 revenue is reflected as of March 31, 2015.

**Basis of Presentation**

For financial reporting purposes, prior to the Petition Date, the Debtors, along with a non-Debtor affiliate/subsidiary, prepared consolidated financial statements that were audited annually. Because not all of the direct and indirect subsidiaries of ERG are Debtors in these chapter 11 cases, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that could be substantially different from financial information regarding ERG and its subsidiaries that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements. ERG accounts for its oil and gas interests under the full cost method. As such, ERG has presented its oil and gas interests as real property, net of dispositions and depletion. The fair market value of real and personal property may vary materially from the net book value presented herein.

**Amendment**

Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary and appropriate.

**Confidential or Sensitive Information**

There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations will be limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Causes of Action**

Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

**Recharacterization**

The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' business, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available.

**Claim Description**

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated, or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated, or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

**Unliquidated Claim Amounts**

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

**Zero Dollar Amounts**

Amounts listed as zero are either \$0, unliquidated or undetermined.

**Undetermined Amounts**

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

**Valuation**

It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of March 31, 2015 are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown" or "undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

**Bankruptcy Court Orders**

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, taxing authorities, royalty parties, and certain other prepetition creditors. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore generally are not listed in the Schedules and Statements.

**Dates**

The information provided herein, except as otherwise noted, represents the asset data of the Debtors as of March 31, 2015 and the liability data of the Debtors as of the close of business on the Petition Date except as otherwise noted.

**Specific Notes**

These General Notes are in addition to the specific notes set forth in the Schedules and Statements of the individual Debtor entities. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Liabilities**

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

**Excluded Assets and Liabilities**

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including pension assets, employee benefit accruals, accrued accounts payable, and deferred gains. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims may exist. In addition, certain immaterial assets and liabilities may have been excluded. Pursuant to certain Bankruptcy Court orders, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees, royalty holders, and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore may not be listed in the Schedules and Statements.

**Leases**

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases.

**Contingent Assets**

The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

The Debtors may also possess contingent and unliquidated claims against affiliated entities (both Debtor and non-Debtor) for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guaranties, (v) indemnities, and (vi) warranties. Additionally, prior to the relevant Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, item 4(a), for lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff.

**Guaranties and Other Secondary Liability Claims**

The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors have placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Debtors reserve the right to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim, whether by amending the Schedules and SOFAs or in another appropriate filing. Additionally, failure to list any Guaranties in the Schedules and SOFAs, including in any future amendments to the Schedules and SOFAs, shall not affect the enforceability of any Guaranties not listed.

**Intellectual Property Rights**

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

**Estimates**

To prepare and file the Schedules on or around the Petition Date, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

**Fiscal Year**

Each Debtor's fiscal year ends on December 31.

**Currency**

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

**Property and Equipment**

Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

**Claims of Third-Party Related Entities**

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to same.

**Interest in Subsidiaries and Affiliates**

ERG directly or indirectly owns all or part of the subsidiaries and affiliates that are also Debtors. In addition, ERG indirectly owns one subsidiary and affiliate that is not a Debtor. Interests in subsidiaries arise from stock ownership. Each Debtor's Schedule B14 or Statement 18a contains a listing of the current capital structure of ERG and its Debtor and non-Debtor affiliates and includes ownership interests in the related affiliates and partnerships of each corporate affiliate.

**Umbrella Or Master Agreements**

Contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.

**Insiders**

The Debtors have attempted to include all payments made over the 12 months preceding the Petition Date to any creditor deemed an "insider." For these purposes, "insider" is defined as (1) a creditor or entity owning 5% or greater of any class of ERG common stock, (2) an individual appointed by the Manager of ERG or (3) an entity related to an insider, including entities owned or controlled by Scott Y. Wood. The listing of a creditor as an "insider," however, is not intended to be nor should be construed as a legal characterization of such creditor as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved.

**Payments**

The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors participated in a consolidated cash management system through which certain payments were made by one entity on behalf of another. Certain payments in the Schedules and Statements may have been made prepetition by one entity on behalf of another entity. The Debtors intercompany accounts reflect the net position of both the receipts and disbursements received or made on behalf of other Debtors.

**Totals**

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements.

**Schedule B-14 - Partnerships/JV Interests**

See Schedule Exhibit B-14 for additional businesses the Debtor was a parent of or owned a significant interest in.

Schedule G also sets forth numerous licensing agreements, which either may be in addition to, or duplicative of, the licenses set forth in this Schedule B-23. The inclusion of any license agreement in both Schedules B and G should not be deemed to be an indication or admission of the existence of multiple agreements. Similarly, the exclusion of any license agreement from either Schedule B or Schedule G should not be deemed determinative of whether the license is an executory contract or simply a grant of property rights. The Debtors expressly reserve the right to recharacterize these agreements, as appropriate, upon further review. The information provided in response to Item B-23 (if any) does not include the Debtor's general business licenses.

**Schedule B-28 - Office Equipment**

Certain of the Debtor's office equipment, furnishings, and supplies are not capitalized in some situations. These assets are not listed herein.

**SPECIFIC NOTES REGARDING SCHEDULE D**

**Creditors Holding Secured Claims**

Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the extent, validity, priority, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercreditor or intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. If a Debtor is a guarantor with respect to a scheduled claim of another Debtor, the claim will be labeled "Contingent." The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D. However, the Debtors reserve all of their rights to amend Schedule D in the future to the extent the Debtors determine that any claims associated with such agreements are properly reported on Schedule D. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed in Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including to argue that an agreement listed in Schedule G may be treated as a secured financing agreement, rather than an executory contract or unexpired lease. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract.

Some of the Debtors' creditors may have filed mechanic or materialman's liens following the commencement of the Debtors' chapter 11 cases. Some liens may, by virtue of section 546(b) of the Bankruptcy Code and applicable law, relate back to the period prior to the Petition Date. Any such liens that have been filed after the petition date are not listed on Schedule D.

To the extent that any landlords, real property and personal property lessors, utility companies, or other creditors hold a security deposit from any of the Debtors and to the extent that such deposits constitute secured claims, such deposits are not listed on Schedule D, except as specifically stated herein.

**SPECIFIC NOTES REGARDING SCHEDULE E**

**Creditors Holding Unsecured Priority Claims**

The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority status of any claim on any basis at any time.

As noted in the Global Notes, the Bankruptcy Court entered a first day order granting authority to the Debtors to pay certain prepetition employee wage and other obligations in the ordinary course (the "Employee Wage Order"). Pursuant to the Employee Wage Order, the Debtors believe that any priority claims of current employees for prepetition amounts have been or will be satisfied, and such satisfied amounts are therefore not listed on Schedule E. Only employee claims against the Debtors for prepetition amounts that have not been paid as of the time that the Schedules and Statements were prepared were included; such amounts are listed on Schedule F.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

☐ Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.

**SPECIFIC NOTES REGARDING SCHEDULE F**

**Creditors Holding Unsecured Nonpriority Claims**

The Debtors have used reasonable best efforts to list all general unsecured claims against the Debtors on Schedule F based upon the Debtors' existing books and records.

Schedule F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

Schedule F does not include certain reserves for potential unliquidated contingencies that historically were carried on the Debtors' books as of the Petition Date; such reserves were for potential liabilities only and do not represent actual liabilities as of the Petition Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although commercially reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F contains information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

Except in certain limited circumstances, the Debtor has not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule F. Such guaranties are, instead, listed on Schedule G.

The claims of individual creditors for, among other things, goods, services, or taxes listed on the Debtors' books and records may not reflect credits or allowances due from such creditors. The Debtors reserve all of their rights in respect of such credits or allowances. The dollar amounts listed may be exclusive of contingent or unliquidated amounts.

Unless the Debtor were required to pay ancillary costs, such as freight, miscellaneous fees and taxes, such costs are not included in the liabilities scheduled, as such amounts do not represent actual liabilities of the Debtor.

**SPECIFIC NOTES REGARDING SCHEDULE G**

**Executory Contracts**

The Debtors' business is complex. While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed thereon.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

In the ordinary course of business, the Debtors may have issued numerous purchase orders for supplies, product, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule F.

As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.

Certain of the Debtors' executory contracts are purchase and sale agreements. In those instances, the executory contracts generally are listed in either the "sale agreements" or "purchase agreements" category, not both.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance, and atonement agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents also are not set forth in Schedule G.

The Debtors hereby reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend the schedule as necessary.
